

Give Lisa Easton a torch and she'll create art. Ask her why she loves Great Falls and she'll say... "From black tie to cowboy boots - Mozart to Russell - our area is brimming with arts and artists, offering a lively mix of creative culture. Whether you prefer a symphony or contemporary western art, you'll find it here."

## Experience The Moment!

### CHARLIE RUSSELL'S OLD WEST VACATION...

No one captured the beauty, hardship and romance of the American West more honestly or poignantly than painter Charlie Russell. His works tell the tales of life on the open range, and the struggles faced by natives and pioneers alike.

Spend a day experiencing Charlie's art, tour his log-cabin studio and board the Charlie Russell Chew Choo for a 3-hour tour of the land that inspired America's "Cowboy Artist."
