

## **Rural Business Advisor**

*Small Business Development Center (SBDC)*

Motivated, innovative, and impact-driven professional to boost our entrepreneurship coaching and training efforts in rural North-Central Montana. Work with entrepreneurs, business owners, and stakeholders in the entrepreneurial ecosystem to address some of rural America's economic challenges. This new position will coach, counsel, and advise existing rural businesses, stimulate startup activity, and deliver meaningful trainings primarily in rural Cascade, Glacier, Teton, Toole, and Pondera counties. Our mission is to stimulate innovation, increase collaboration within the entrepreneurial ecosystem, and deliver impact to employers and innovators. Day-to-day responsibilities will include providing advisory support to business owners, helping them identify and solve the problems that arise in entrepreneurship. Requires excellent communication skills. Prefer five to seven years' experience in business management, entrepreneurship, finance, marketing, human resources, or related field. Bachelor's degree required. Salary range \$40,000-\$50,000 with excellent benefits, professional development, and flexible work environment. EOE. We encourage candidates who live, or would like to live, in one of our wonderful rural communities to apply. Remote work available. Cover letter and resume to Brett Doney, President, [BDoney@GrowGreatFalls.org](mailto:BDoney@GrowGreatFalls.org). Open until we find a great candidate.

## **Talent Attraction Director**

*Digital Content Marketing*

Dynamic, self-motivated professional sought to join our passionate, creative, fast-paced, results-driven economic development team. We are looking for an experienced digital marketing star who can create and implement a content-driven workforce recruitment effort for our community and region. Engage our business leaders and residents using Social Toaster and social media, help us use Linked In and other platforms to help our companies attract talent to relocate to Great Falls. Requires excellent writing, computer, and communication skills. Live on the Missouri River along the Rocky Mountain Front and work with a great team! Salary range \$35,000-45,000 with excellent benefits, professional development, growth opportunities, and flexible work environment. EOE. Cover letter and resume to Brett Doney, President, [BDoney@GrowGreatFalls.org](mailto:BDoney@GrowGreatFalls.org). Open until we find a great candidate.
