

REOPENING THE BIG SKY

GUIDANCE FOR FOOD & BEVERAGE

PHASE 1

- **PATRONS:** No more than 50% max. capacity.
- Six foot physical distancing between groups/tables.
- No more than six people per group.
- No bar or counter seating.
- No unseated guests.

- **SANITATION PRACTICES:** Use single-use menus if possible, otherwise sanitize between each use - limit menu use.
- No preset silverware.
- Use shield at hostess station similar to grocery stores.
- No self-service areas (buffets, condiment stations, etc.).
- Encourage reservations and have people wait in their vehicle until they can be seated.
- Avoid exchanging money where possible - encourage paying online or using check or credit card.
- Table items (condiments, menus, napkins, décor) should be removed unless thoroughly cleaned between guests.
- Encourage frequent hand washing.

- **CLEANING & DISINFECTING:** Clean all "high touch" areas (counters, doorknobs, tables, benches, chairs, registers, card machines, restrooms) frequently - every 2-3 hours - more often is encouraged.
- Use EPA approved disinfectants or mix 1/3 c. bleach/1 gal. water.
- Provide hand sanitizer at business entry and checkout counter.

CASINO SPECIFIC:

- Full disinfection between customers use of machines.
- Provide disinfecting wipes for customers to wipe down machines.
- Space out machines or close every other machine to allow adequate spacing - no closer than 7 feet, center-to-center
